Hi again.

Would you like me to save Lucita's larger comment document in the new SharePoint folder I just set up or do you have a shorter set of only Indian Law comments that I can save there? Or how about you try saving the comment & RTC documents under that folder to see if you have permission to do that?

Thanks!

Quick follow up – in the meantime, I'd like to send the draft RTC on Indian law related issues to OGC for their review. Is there a master OneDrive or SharePoint document with all the comments, including the Indian law related comments? If yes, I'd like to send that to OGC, so that they can input their comments directly, and we don't have problems with version control. Or, if you'd like me to maintain the Indian law related comments separately, and work with OGC on edits separately, I can do that, and we can plug them into the master document at the end.

Hi Paul,

We do have a meeting every two weeks. Our next one will be Wednesday, May 13, 2020 10:00 AM-11:00 AM. I will forward you the invite. They get kind of long, so we can put you at the top of the agenda so you don't have to stay on the line for all the other topics.

I didn't mean to have you feel disconnected - I was actually hoping to minimize your pain! Since I have recently been emailing recommendations from you to Sarah and Douglas and they now have your RTC, I think it would be good to have them hear from you in person. I will send you the invite.

Thanks!

Thanks Valois.

Will there be any interim check ins with the WD team and ORC? Perhaps there have been, and I haven't been involved, but for such a big project with important interim milestones, I'm feeling a bit disconnected and don't have a sense of the direction where WD is going.

Hi Paul,  
Thanks for much to putting all this together. There will probably be some updates and we move forward with other overlapping topics, but I will run any change by you to make sure you are OK with them.
